1. This new mechanism for release (utilization) and monitoring of funds under NHM in J&K, invoked with the broad objective of avoiding unnecessary parking of funds at any level and therefore based on end-utilization of funds, Grant-in-Aid is released (sanctioned) in favour of end-user healthcare facilities in the form of drawing limit(s), instead of conventional transfer of fund(s)
2. Drawing limit, as & when released/ conveyed as per the availability of funds in the SNA, is equivalent to 'Notional' release of funds in the Zero Balance A/c(s) (ZBA) of respective healthcare facilities, mapped with the Single Nodal A/c (SNA) of the State Health Society, now State Nodal Agency.
3. Mapped accounts of healthcare facilities will be ZBAs, whereas funds lying in the SNA will remain available for end-utilization by the concerned healthcare facilities against drawing limits allocated to them.

4. Implementing agencies shall undertake/initiate financial transaction (expenditure) under NHM through EAT/ REAT module of PFMS, using their mapped ZBAs.
5. Integrated banking system will settle the transactions, as initiated by the concerned healthcare facilities from its ZBAs through PFMS, with SNA against the allocated drawing limits of respective healthcare facilities.
6. Accordingly, against allocated drawing limits, concerned healthcare facilities shall have to make payment(s) directly in favour of end beneficiaries/ vendors, after adhering to requisite codal formalities stipulated under relevant rules/ guidelines.
7. Funds shall have to be utilized against allocated drawing limit(s) during relevant month(s).
8. Any subsequent allocation of drawing limit will be subject to unutilized amount of drawing limit already allocated in favour of concerned healthcare facilities.
